Introducing Our New Club Manager

My name is Ky Graham and I was born and raised in the Centre Hastings area. I am joining the LOLCC team as Club Manager this year. I am really looking forward to meeting everyone. My goal is to ensure that everyone in the club is having a great time as well as bringing in new members. I'm excited to see what we can do to help things grow over the next few months.

My goal is to ensure that everyone in the club is having a great time....

Come Rock the House

This year the club continues to offer a variety of leagues that support a wide age demographic; including youth, adults and seniors.

We encourage returning members to login to their profile and sign up for the leagues that interest you. Don't worry if you have forgotten your password, you can request a new one!

If you are unable to sign up on-line, no problem. We've got you covered with two in-person registration sessions (October 11th & October 14th). Membership fees are competitive with other clubs and depend upon how many draws or leagues you choose to play in. You can choose to play during the day in our Mixed Tag League or in the evening with our Mixed Competitive League or Doubles League. Ladies why not check out our Women's League on Thursday evenings.

We will be offering a Junior Curling League on Wednesdays beginning at 4 PM - 5:30 PM.

We will also be offering a Learn to Curl program this year. It begins on October 25th.

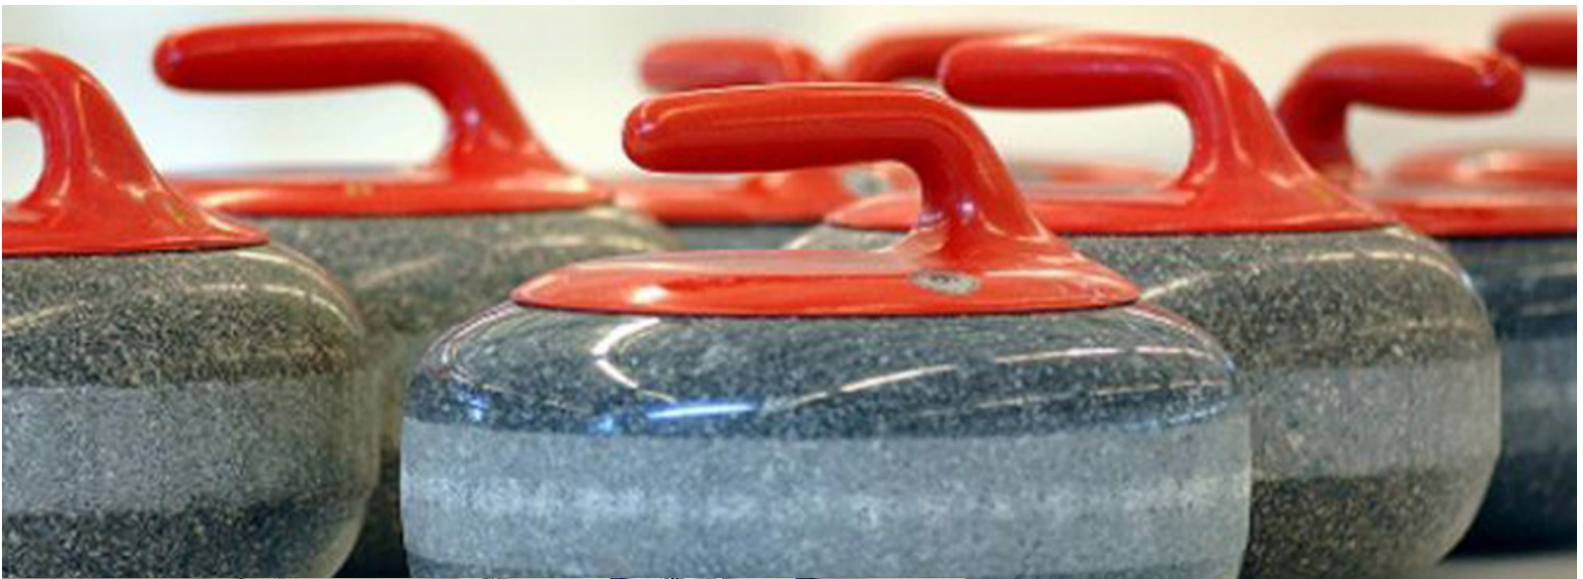

There are special rates for new members and for junior curlers.

We are happy to offer more leagues where numbers warrant. Happy curling!

In operation since 1965, the LOLCC has a long history of good curling.

Our core values include having fun, promoting sportsmanship, camaraderie and social activities.
